

Reading room activities for the academic year 2009-2010

Health talk on “Heart to heart” was given by cardiologist, Dr. Shekhar Ambardekar followed by the interaction.

Book Exhibition Jai Hind College was among the first few colleges to start Book Exhibition as annual affair. We organized it in the month of January in which booksellers took part by displaying books of different publishers on various subjects including competitive books to fiction. Attractive discounts were given to the faculty and students.

Career Fair

Reading Room organized Career Fair which was attended by the staff and students in full strength. The aim of this career fair was to provide information of the different career options available to the students. The Universities, colleges, private Institutes, Government bodies took participate in the career fair. The response was overwhelming.
