

# Jai Hind College

Junior College  
Science Faculty

*Administrative Team:*

Principal : Dr. Ashok Walia

Vice Principal : Ms. Zubeida Surti

Supervisor : Mr. P. A. Shenoy

Science Co-ordinator : Ms. Madhuri Dalvi

# Welcome to Junior College Science

Jai Hind College offers FYJC and SYJC Science in

Your Express train to destination Success

- 1) General Science and
- 2) Vocational Science (Electronics)
- 3) Vocational Science (Computer Science)

# Subject Combinations

## *General Science*

- 1) English
- 2) Language
- 3) Biology
- 4) Physics
- 5) Chemistry
- 6) Mathematics

## *Electronics*

- 1) English
- 2) Electronics - 1
- 3) Electronics - 2
- 4) Physics
- 5) Chemistry
- 6) Mathematics

## *Computer Science*

- 1) English
- 2) Comp Science - 1
- 3) Comp Science - 2
- 4) Physics
- 5) Chemistry
- 6) Mathematics

# Features and Benefits

Jai Hind College has 5 subject wise labs :

- 1) Physics
- 2) Chemistry
- 3) Biology
- 4) Electronics
- 5) Computer Science

- 1) Space, well ventilated and brightly lit labs
- 2) 1 teacher per 20 students
- 3) Individual attention
- 4) Experiments based on theory hence theory brought to life

# Teacher-student Interaction

Science subjects are taught using

- 1) Conventional Methods
- 2) PPT presentations
- 3) Smart Board
- 4) Models and projects

In comfortable classrooms

Our Teachers are

- 1) Professional in their approach
- 2) Helpful in case of any problem faced by students
- 3) Fair in their assessment

# Jai Hind College Library

The Jai Hind College library is a treasure house of academic and knowledge-oriented books.

Digital books are also available

The peace of the library and its helpful staff will ensure focused and inspired study like no other place that you know.

Study in between practicals and lectures and win the race

# Regular Communication

- All our students, parents and teachers are kept connected through Whatsapp groups and updated about day to day schedule, activities, programs organized in the college
- Students can call or send message to the co-ordinator directly and get their problems addressed
- Open House for parents after every exam.

# Personality Development

- We encourage students to participate in Science
  - Exhibitions
  - Fairs and events
  - Competitions and contests
- Ensures personality development, increases confidence, exposure to varied learning environments.
- Selection of students sent to these competitions are transparent and achievements of students are duly appreciated

# Parent-student counselling

- 1) Regular communication enables parents and students to get overall view of lacunae in development of student
- 2) Encourages them to approach concerned authorities for help
- 3) Timely intervention and counselling brings both students and parents out of despair and sometimes into success

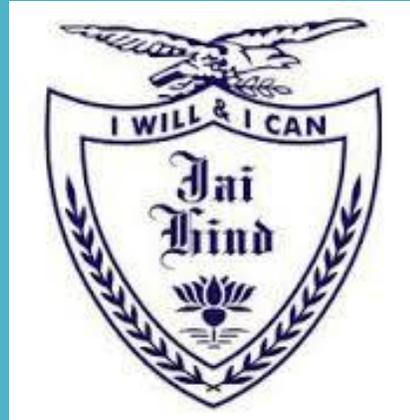

# Our Motto

The energy and positive vibrations at Jai hind college have to be experienced to be imbibed

They will make you a richer person, rich in knowledge, experience and motivation.

*Our motto is "I will and I can" and keeps us inspired always*

Thank You
